

UNITED STATES OF AMERICA
UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

ROBERT JACKSON,

Plaintiff,

Case No. 1:12-cv-433

v.

Honorable Robert J. Jonker

MICHIGAN DEPARTMENT OF
CORRECTIONS et al.,

Defendants.

OPINION

This is a civil rights action brought by a state prisoner under 42 U.S.C. § 1983. The Court has granted Plaintiff leave to proceed *in forma pauperis*. Under the Prison Litigation Reform Act, PUB. L. NO. 104-134, 110 STAT. 1321 (1996), the Court is required to dismiss any prisoner action brought under federal law if the complaint is frivolous, malicious, fails to state a claim upon which relief can be granted, or seeks monetary relief from a defendant immune from such relief. 28 U.S.C. §§ 1915(e)(2), 1915A; 42 U.S.C. § 1997e(c). The Court must read Plaintiff's *pro se* complaint indulgently, *see Haines v. Kerner*, 404 U.S. 519, 520 (1972), and accept Plaintiff's allegations as true, unless they are clearly irrational or wholly incredible. *Denton v. Hernandez*, 504 U.S. 25, 33 (1992). Applying these standards, the Court will dismiss Plaintiff's complaint for failure to state a claim against Defendant Michigan Department of Corrections. The Court will serve the complaint against Defendants Northern Region Health Care and Doctor Unknown Potts.

Discussion

I. Factual allegations

Plaintiff presently is incarcerated at the St. Louis Correctional Facility. In his *pro se* complaint, he sues the Michigan Department of Corrections, Northern Region Health Care and Doctor Unknown Potts for violating his Eighth Amendment rights.

Plaintiff complains that Defendants failed to adequately treat an injury to his wrist. On May 30, 2011, Plaintiff was working in the kitchen when a hot pan of oatmeal slipped from his grip. While falling, the pan caught Plaintiff's oven mitt and pulled his right hand down. Plaintiff felt something pop in his right wrist. The next morning, Plaintiff's wrist was swollen and painful. He noticed a bone sticking up under his skin. After seeing the doctor for several months, Plaintiff complains that he is not getting any better. Plaintiff filed a grievance with the warden and the Northern Region Health Care to no avail.

For relief, Plaintiff requests monetary damages and to be seen by an "outside" physician. (Compl., docket #1, Page ID#3.)

II. Failure to state a claim

A complaint may be dismissed for failure to state a claim if "'it fails to give the defendant fair notice of what the . . . claim is and the grounds upon which it rests.'" *Bell Atl. Corp. v. Twombly*, 550 U.S. 544, 555 (2007) (quoting *Conley v. Gibson*, 355 U.S. 41, 45-46 (1957)). While a complaint need not contain detailed factual allegations, a plaintiff's allegations must include more than labels and conclusions. *Twombly*, 550 U.S. at 555; *Ashcroft v. Iqbal*, 129 S. Ct. 1937, 1949 (2009) ("Threadbare recitals of the elements of a cause of action, supported by mere conclusory statements, do not suffice."). The court must determine whether the complaint contains "enough

facts to state a claim to relief that is plausible on its face.” *Twombly*, 550 U.S. at 570. “A claim has facial plausibility when the plaintiff pleads factual content that allows the court to draw the reasonable inference that the defendant is liable for the misconduct alleged.” *Iqbal*, 129 S. Ct. at 1499. Although the plausibility standard is not equivalent to a “‘probability requirement,’ . . . it asks for more than a sheer possibility that a defendant has acted unlawfully.” *Iqbal*, 129 S. Ct. at 1499 (quoting *Twombly*, 550 U.S. at 556). “[W]here the well-pleaded facts do not permit the court to infer more than the mere possibility of misconduct, the complaint has alleged – but it has not ‘show[n]’ – that the pleader is entitled to relief.” *Iqbal*, 129 S. Ct. at 1500 (quoting FED. R. CIV. P. 8(a)(2)); *see also Hill v. Lappin*, 630 F.3d 468, 470-71 (6th Cir. 2010) (holding that the *Twombly/Iqbal* plausibility standard applies to dismissals of prisoner cases on initial review under 28 U.S.C. §§ 1915A(b)(1) and 1915(e)(2)(B)(i)).

To state a claim under 42 U.S.C. § 1983, a plaintiff must allege the violation of a right secured by the federal Constitution or laws and must show that the deprivation was committed by a person acting under color of state law. *West v. Atkins*, 487 U.S. 42, 48 (1988); *Street v. Corr. Corp. of Am.*, 102 F.3d 810, 814 (6th Cir. 1996). Because § 1983 is a method for vindicating federal rights, not a source of substantive rights itself, the first step in an action under § 1983 is to identify the specific constitutional right allegedly infringed. *Albright v. Oliver*, 510 U.S. 266, 271 (1994).

A. Michigan Department of Corrections

Plaintiff may not maintain a § 1983 action against the Michigan Department of Corrections. Regardless of the form of relief requested, the states and their departments are immune under the Eleventh Amendment from suit in the federal courts, unless the state has waived immunity or Congress has expressly abrogated Eleventh Amendment immunity by statute. *See Pennhurst State*

Sch. & Hosp. v. Halderman, 465 U.S. 89, 98-101 (1984); *Alabama v. Pugh*, 438 U.S. 781, 782 (1978); *O'Hara v. Wigginton*, 24 F.3d 823, 826 (6th Cir. 1993). Congress has not expressly abrogated Eleventh Amendment immunity by statute, *Quern v. Jordan*, 440 U.S. 332, 341 (1979), and the State of Michigan has not consented to civil rights suits in federal court. *Abick v. Michigan*, 803 F.2d 874, 877 (6th Cir. 1986). In numerous unpublished opinions, the Sixth Circuit has specifically held that the MDOC is absolutely immune from suit under the Eleventh Amendment. *See, e.g., McCoy v. Michigan*, 369 F. App'x 646, 653-54 (6th Cir. 2010); *Turnboe v. Stegall*, No. 00-1182, 2000 WL1679478, at *2 (6th Cir. Nov. 1, 2000). In addition, the State of Michigan (acting through the Michigan Department of Corrections) is not a "person" who may be sued under § 1983 for money damages. *See Lapides v. Bd. of Regents*, 535 U.S. 613 (2002) (citing *Will v. Mich. Dep't of State Police*, 491 U.S. 58 (1989)). Therefore, the Court dismisses the Michigan Department of Corrections.

B. Northern Region Health Care and Doctor Potts

At this stage, the Court finds that Plaintiff's allegations against Defendants Northern Region Health Care and Doctor Unknown Potts are sufficient to state a claim.

Conclusion

Having conducted the review required by the Prison Litigation Reform Act, the Court determines that Defendant Michigan Department of Corrections will be dismissed for failure to state a claim pursuant to 28 U.S.C. §§ 1915(e)(2) and 1915A(b), and 42 U.S.C. § 1997e(c). The Court will serve the complaint against Defendants Northern Region Health Care and Doctor Unknown Potts.

An Order consistent with this Opinion will be entered.

Dated: May 22, 2012
